West Georgia College is a coeducational, residential, liberal arts institution located in Carrollton. The city of Carrollton serves as the county seat of Carroll County and is one of Georgia's fastest growing industrial areas. Carrollton serves a regional population of more than 100,000 and is located an hour's drive west of Atlanta.

West Georgia College originated in 1906 in an area of the state that is rich in Indian history (thus the selection of the school's mascot — Braves).

From the early beginning in 1906 of three small buildings, the college has grown to include more than 40 structures of learning, living, and recreation located on a 398-acre wooded campus. The physical facilities are valued at more than \$88.5 million.

WELCOME TO WEST GEORGIA COLLEGE

It's your new home for the next four years

and we will lend you a helping hand.

We take our jobs serious,

as we point you in different directions.

ON CAMPUS . . .

One can walk in solitude,

or mingle with the masses.

It's a chance to make new friends!

Sometimes it can be a real struggle,

but with teamwork we can stand proud as a group.

Student life gives you the chance to "blow your own horn" ...

or to realize a dream.

ATHLETICS . . .

A proud past

running into an exciting future.

AT WEST GEORGIA . . .

We are a team.

We celebrate together . . .

... We attend classes together ...

... and we relax together!

We are excited that you have decided to join us!

No matter what the occasion, you will find something to cheer about.

We are sure you will like your new home!

While you are here, you can build towers to help reach your goals.

Don't be afraid of climbing to new heights!

Remember we are also here to study . . .

. . . as we walk down the paths that . . .

... lead to the steps of excellence!!
